Dear Parents and Carers,

SCHOOL IMPROVEMENT QUESTIONNAIRE - FEEDBACK

Thank you for taking the time to complete our recent questionnaire regarding school improvement and development. Your feedback is extremely valuable to us and plays an important role in helping us continue to shape the best possible environment for our children.

We are pleased to hear that many of you recognise Blackmoor's strengths, particularly in the areas of communication, the care and dedication of our teaching staff, and the positive and inclusive atmosphere we strive to maintain. It is reassuring to know that these efforts are appreciated and are making a real difference to your child's experience at our school.

Your feedback has also highlighted some areas where we can continue to improve. In particular, several parents raised the importance of ensuring greater continuity of staffing across the school. We are committed to addressing this and will continue to prioritise stability across our school wherever possible. Enhancing communication further remains a key focus for us, and we are exploring ways to keep you even better informed about both day-to-day activities and wider school developments.

Many of you expressed a wish for Blackmoor to offer more events, such as Summer and Christmas fairs, as well as an increase in school trips and additional experiences for the children. We wholeheartedly agree that these opportunities enrich pupils' learning and school life, and we will be looking to expand the range of events and visits on offer over the coming year.

We also received valuable suggestions regarding our curriculum delivery, with some parents suggesting a more tailored approach to teaching, particularly in areas such as phonics and smaller group work. This feedback will inform our ongoing review of teaching strategies, ensuring that we continue to meet the diverse needs of all our children.

We are committed to listening to your feedback and working in partnership with you to ensure the very best outcomes for our children. Thank you once again for your continued support and for playing an active role in our school community.

If you have any queries, please let me know.

Kind regards,

Mr E Naylor
Acting Headteacher
