Our Little Bistro

in Blackmoor Park

At Blackmoor Park Infant School and Kindergarten all our meals are planned and prepared by our own staff, no external catering company is involved. This means we can ensure the quality of the food we offer to the children is the best it can be. It also allows us to set our own menu and make changes to suit the needs of our children. As an Infant School all children in Reception, Year 1 and Year 2 will receive a free school meal under the universal infant free school meals agenda. No children bring in a packed lunch as there is the option of the Blackmoor Deli Bar where children can 'Subway' style select their own sandwich or wrap and fillings.

We have included the 2 week menu which will be in place from September 2021 so you can talk with your child about the type of food to expect and explain that if it is something they don't like that they can ask for sandwich, pasta or a jacket potato at the Deli Bar.

Bernie our school Catering Manager will be available to chat to in September when you attend your child's 1:1 with the class teacher if you have an individual concerns around food due to allergies etc... just ask at the office to speak with Bernie. Please make sure you also let your child's class teacher know too. Bernie will be able to adapt the menu items for your child's allergy needs accordingly.
